OF RICH GLOSSY HAIR,
Completely Preserved to the Greatest Age.

A ND who that is gray would not have it restored to former color or bald, but would have the growth restored or troubled with dandruif and tiching, but would have it removed; or troubled with dandruif and tiching, but would have it removed; or troubled with serodia, scald head, or olier engulous, but would be cured. It would be cured or with select head ache, the role of the removed plouples from the face and skin, Prof. Wood's But Restorative will do all this—see circular and the following:

ANA ARRON, Nov. 5, 1856.

DEAU Sin: I have heard much said of the monderful effects of your Bair Restorative, but, having been so often cheated by quackery and enack most runs, hair dye, &c. I was disposed to place your bestorative in the same category with the thousand and one loudly-trumpted quack remedies, until I met you in Lawrence county some moulds smock, when you gave me such assurance as indicated the trial of your livestorative in my family—first, by tog good wife, whose hair had become very thin and entirely white, and before echausting one of your irree bottles her hair was restored nearly to its original beautiful howance of the heatifying effects upon the hair, but because of its healthful indoction upon the head and mind. Others of my family and riceds are off the heatifying effects upon the hair, but because of its healthful indoction upon the head and mind. Others of my family and riceds are owing your Estorative, with the happiest effects; therefore, my skepticism and donies in reference to its character and value are entirely removed; and I can, and do most cordially and confidentially, recommend its use by all who would have their hair restored from white or gray (by reason of sickness or apply to original color and beauty, and by all young persons who would have their hair restored from white or gray (by reason of sickness or apply to original color and beauty, and by all young persons who would have their hair restored from white or gray (by reason of sickness or apply to original color and beauty, an

CHAR LES'S LONDON CORDIAL GIN.—THE ORIGINAL AND ONLY LONDON GIN IMPORTED.—This Gin, destilled in London from sound barley, under the surveillance of the Pritish excise laws, is delicately flavored with a fincture of the Ralam pulper berry, and some of the most valuable restoratives of the vegetable kingdom, rendering it, in the opinion of the inost eminent medical men, the purest and safest stimulant or district frink in use. It is a delicately land delicate lawor, differing entirely from any other Gin, and devoid of that harsh, acrid taste which render the strick knewn as Holland tim, or Schnappe, so objectionable. Though not intended as a medicine, it is recommended by physiciana generally in casses of hyspepsia, Gout, Rheumattom, Dropsy, Gravel, Cole, Cholera, Fever and Agne, Structure, Discases of the Unitary Organs, the Kidneys and the Bowele, Nervous Debility, &c., whilst the weaker set will find by its adoption a sure relief from those distress time annoyances which frequently attend their delicate organization. Its Valentine Mott, of New York, the highest medical authority, pronounces CHARLES'S LONDON CORDIAL GIN "not only superior to any other, but the best article of the kind he has ever soon."

It is peculiarly adapted to settlers in the southern and western States, as well as for twelfers expect to changes of water and air. For sale in quarts at seventy-five cents, and point thirty-eight cents, by all druggists, grocers, fruiterers, and country increlants. Beware of initiations. Buy only CHARLES'S. NONE OTHER IS IMPORTED. May be had in Warshington of Ford & Brother, Janiel B, Clark, J. B. Wilson, Hamilton & Leach, Wallace Ellot, Bichard J. Ryon, EDMUND C. INTERESTING TO LADIES.—When in the course of their greatest natural attractions—a fine head of hair—it becomes a matter of serious importance, and the question is, What shall we do to stop the hair from falling off and restore its vigor and beauty? In reply to this query we begt to say try Dr. Harris's Hair Promoter and Improver. A few applications will stop the hair falling or broaking, remove dandruf, keep the scalp clean and white, and import fresh meas and vigor to the hair; and, although you may have been baid to winty years, the continued use of it two menths will insert you invariant head of hair. Call and get a bottle, and, if not natisfied after the second application, return it and get the price paid.

[No. 606.] Sales of Public Lands.

Sales of Public Lands.

In pursuance of the provisions of the 3d section of the act entitled "An act to authorize the President of the United States to cause to be surveyed the tract of land in the Territory of Minnesots belonging to the half-treed or mixed bloods of the Dacotah or Stoux nation of Indians, and for other purposes," approved July 17, 1854, it is hereby declared that public sales will be held, as made known in the notice of postponement, dated February 29, 1858, at the undermonitoned land offices in the State of Minnesota, at the periods beretinather designated, to wit:

At the land office at Haxmassox, commencing on the sixth day of september next, for the disposal of the vacant public hands slinated within the following named townships and fractional townships in the late reserve for the half-breeds or mixed bloods of the Dacotah or Stoax nation of Indians, viz:

North of the base line and west of the lifth principal meridian.

The unlocated tracts in fractional township one hundred and eleven,

North of the base line and west of the lifth principal meridian

North of the base line and west of the fifth principal meridian.

The unlocated tracts in that part of fractional township one hundred and ten, within the above-mentioned reaerve, of range nine.

The unlocated tracts in that part of townships one hundred and eight and one hundred and rine; and fractional township one hundred and ten, within the above-mentioned reserve, of range ten.

The unlocated tracts in that part of township one hundred and eight within the above-mentioned reserve, and in townships one hundred and man and one hundred and ten, of range eleven.

The unlocated tracts in that part of townships one hundred and eight and one hundred and ten, within the above-mentioned reserve, and in township one hundred and ten, or range twelve.

The unlocated tracts in that part of townships one hundred and nine and one hundred and ten, within the above-mentioned reserve, of range furtieen.

The unlocated tracts in that part of township one hundred and ten, within the above-mentioned reserve, or range fourteen.

The unlocated tracts in that part of township one hundred and ten, within the above-mentioned reserve, or range fourteen.

The offering the hove mentioned reserve, or range fourteen.

The offering the cabove hands will be commenced on the days

within the above mentioned reserve, of range filters.

The offering of the above lands will be commenced on the days appointed, and will proceed in the order in which they are suvertised, until the whole shall have been offered, and the sales thus closed; but no sale shall be kept open longer than two weeks, and no private entry of any of the lands will be admitted until after the experation of the two weeks.

Given under my hand, at the city of Washington, this twenty-saventh day of May, Anne Domini one thousand eight hundred and fifty-cight.

By order of the President:

Notice of a change in the limits of the "Northcastern" and "Northwestern" Land Districts
in Minnesota.

In PURSUANCE of the provisions of the act of
Congress approved May II, 1858, so amend the set approved
July 8, 1856, entitled "An act to establish two additional Land Districts in the Territory of Munesota," is to hereby declared and made
known that the western limit of the "Northwestern Datrict" is as follows: "Commencing at the point on the scattern side of the allows: "Commencing at the point on the scattern side of the allows: "Commencing at the point on the scattern side of the allows: "Commencing at the point on the scattern side of the allows: "Commencing at the point on the scattern side of the allows: "Commencing at the point on the scattern side of the allows: "Commencing at the point on the scattern side of the allows and seven the present south line touches the river; thence down said tweets

JOHN CARROLL, Proprietor.

May 28—lawaw

DIN CARROLL, Proprietor.

RURAL SOUTHERNER FOR SALE.—The undersigned, proprietor of that popular and beautiful weekly popur, the "Rent Southerner," being about to remove to Missouri, would like to dispose of both the newspaper and priming office. The office is well, stocked with new makerial, and contains every facility for doing all kinels of Joh Printing.

The establishment is supplied with two good hand presses, upwards of 200 pounds of new Nonparell, 200 pounds Brevier, 150 pounds Long Primer, and thirty fouls of Joh Type. With proper attention very large amount of Joh Work can be secured. This is the only newspaper of the kind in the South, and its weekly receipts for advertising amount to more than double the exponence of publication. The anteropium list is already large, and constantly increasing. The entire ocasiers will be sold out for \$1,800 cash, or will be exchanged for a good female servant, as part pay, or city property. Address RICHARD LIWARDS.

A specimen copy of the paper will be sent.
